

Sample Email Text for Group Leaders to Send to Venture Out Participants

Venture Out is the University of Missouri's outdoor experiential education facility. They specialize in group team building utilizing high ropes and on-the-ground challenge courses. During our Venture Out course, we'll be presented with a challenge, we'll work together to solve that challenge, and then we'll debrief as a team.

Here's what you need to know:

- **WHEN:** Our course is Wednesday, October 24 from 4-6 PM. Please arrive 5-10 minutes before our course start time.
- **BEFORE YOU ARRIVE:** Please review this [Participant Packet](#) for information about what to expect, a map to Venture Out, and your double-sided waiver. Participants under age 18 need their waiver signed by a guardian.
- **WHAT TO BRING:** Bring your [completed waiver](#), wear closed-toe shoes, dress for the weather, and wear a hairstyle you can wear a helmet with. Bring a water bottle and a snack if you get hungry easily.
- **GETTING TO VENTURE OUT:** Venture Out is located about 5 minutes driving away from the MU campus. Our address doesn't show up correctly in Google and Apple maps, so please use the map in our Participant Packet or the information on our [location page](#) to find us.
- **PARKING:** Venture Out has 20 parking spaces— large groups need to carpool. Venture Out shares their parking lot with the Green Tennis Center and has designated spaces— please park in the parking spaces with UNPAINTED (not green) curbs. Parking in green-painted spaces could result in being towed.
- **SHUTTLE FROM MU CAMPUS:** There is also a shuttle that runs from the MU campus to the Reactor Parking Lot, which is a short (3 minute) walk from Venture Out. Take the [403 Reactor Loop Bus](#), which picks up at the Reynolds Alumni Center (at the Reynolds Alumni Center sign at the corner of Tiger Ave and Conley Ave near Traditions Plaza). Take it to its drop-off point, the Reactor Parking Lot (RP10). Once you're off the bus, walk in the direction the bus is driving (you'll pass a power substation on your right) toward Old Route K. Turn right onto Old Route K. Cross over a bridge. Turn right into Venture Out's parking lot.
